How to Save the Best Cough Remedy and Save \$2 by Making It at Home.

TRIPLE HOODOO MAN BOUGHT POISON; HELD FOR A WOMAN'S DEATH

Cough medicines, as a rule, contain a large quantity of plain syrup. A pint of granulated sugar with ½ pint of warm water, stirred for 8 minutes, gives you as good syrup as money can buy.

Then get from your druggist ½ ounce Pinez (50 cents worth), pour into a pint bottle and fill the bottle with sugar syrup. This gives you, at a cost of only 50 cents, a full pint of really better cough syrup than you could buy ready made for \$2.00—a clear saving of nearly \$1. Full directions with Pinez.

It takes hold of the usual cough or chest cold at once and conquers it in 24 hours. Splendid for whooping cough, bronchitis and winter coughs.

It's truly astonishing how quickly it loosens the dry, hoarse or tight cough and heals and soothes the inflamed membranes in case of a cough.

To avoid disappointment, ask your druggist for "50 Centes of Pinez," and don't expect anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinez Co., Ft. Wayne, Ind.—Advt.

Barker Moved on Friday to No. 313, and Companion at Hotel Dies Sunday.

A chemical analysis is being made to-day of the stomach of Mrs. Margaret McAffe, twenty-six years old, of Plainfield, N. J., to determine what caused her death yesterday in the Hotel Irvington, Irving Place. Her companion, Frederick Barker, a mechanical engineer of No. 3134 Fourth Avenue, Plainfield, is detained on a charge of homicide pending investigation.

The couple registered at the hotel Saturday night as "Frederick Barker and wife." Early yesterday Barker asked

the clerk to call a doctor, but when no one from the office step, his mother was dead. There was a slight friction between Barker and his companion, and in Barker's opinion, she deserved both.

Barker said he had brought chloroform for his wife, in view of experimental work on chloroform. Following a trivial dispute, he said, Mrs. McAffe took one of the pillows from his valise. He said he was married and has five children. The woman he said, had been trying to get away from him, and he had given her a chance to leave him.

McAffe died at 10:30 p.m. Saturday night, at Hotel Irvington, after a struggle with her parents, Mr. and Mrs. John Ward, No. 307 Halcyon Street, Plainfield, and leaves two small children. Barker said he moved Friday into No. 3134, and the combination of Friday and the two days' quiet have had something to do with his subsequent bad luck.

Three others were locked up in the Morrisania Station as material witnesses.
